Germany - Germany - World War I: During the first days of World War I, many Germans experienced a sense of bonding that had eluded them since the founding of the empire. Differences of class, religion, and politics seemed to disappear as Germans flocked to their city centres to show their enthusiastic support for the impending conflict. Overwhelmingly, the parties, including the Social

The history of Luxembourg consists of the history of the country of Luxembourg and its geographical area.. Although its recorded history can be traced back to Roman times, the history of Luxembourg proper is considered to begin in 963. Over the following five centuries, the powerful House of Luxembourg emerged, but its extinction put an end to the country's independence.
